

Summer Cabaret at Framfield Grange - 20 July 2019

Come early and explore the beautiful gardens. The sweeping lawns stretch down to the wild flower meadow with the lakes and woodland beyond.

The champagne reception is at 6.15pm with the performance commencing at 7pm. In a departure from previous years, picnic tables, complete with table linen and flowers will be inside the auditorium marquee. There will be an interval of 75 minutes for picnics - see timings below. Wine may be ordered in advance, bought from the bar (which will be running throughout the evening) or you may bring your own - no corkage will apply. Two bottles of mineral water per table plus tumblers and wine glasses will be provided free of charge so all you need to bring is your picnic.

We promise a spectacular performance by the internationally acclaimed British vocal group BLAKE. Renowned for performing classical and pop songs in stunning harmony vocal arrangements, BLAKE comprises three young men who enthral fans the world over with their amazing singing and charismatic stage presence.

We are also delighted to host two extremely talented young musicians - Elo Quitmann and Max Walker - both Eastbourne College singer/songwriters. Our compère and Master of Ceremonies, **Tom Duncanson**, will guide us through the evening.
